---

**THIS MATTER IS BEFORE THE COURT** on Defendant's "Motion To Seal" (Document No. 12) and "Motion To Seal" (Document No. 14) filed on July 20, 2023. These motions have been referred to the undersigned Magistrate Judge pursuant to 28 U.S.C. § 636(b), and immediate review is appropriate. Having carefully considered the motions and the record, the undersigned will grant the motions.

A party who seeks to seal any pleading must comply with the Local Rules of this Court. "Motions to seal a particular [criminal] pleading or any portion thereof and orders disposing of such motions are governed by the requirements for sealing provided by LCvR 6.1, incorporated herein by reference." LCrR 49.1.1 (a).

Local Civil Rule("LCvR") 6.1 provides in relevant part as follows:

**LCvR. 6.1 SEALED FILINGS AND PUBLIC ACCESS.**

(a) *Scope of Rule.* To further openness in civil case proceedings, there is a presumption under applicable common law and the First Amendment that materials filed in this Court will be filed unsealed. This Rule governs any party's request to seal, or otherwise restrict public access to, any materials filed with the Court or used in connection with judicial decision-making. As used in this Rule, "materials" includes pleadings and documents of any nature and in any medium or format.

**(b) *Filing under Seal.*** No materials may be filed under seal except by Court order, pursuant to a statute, or in accordance with a previously entered Rule 26(e) protective order.

**(c) *Motion to Seal or Otherwise Restrict Public Access.*** A party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:

- (1)** A non-confidential description of the material sought to be sealed;
- (2)** A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3)** Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4)** Supporting statutes, case law, or other authority.

LCvR 6.1.

By the instant motion Defendant seeks to file her "...Motion To Dismiss Indictment For Violations Of Sixth Amendment Right To A Speedy Trial" (Document No. 11) and "Motion To Produce Discovery" (Document No. 13) under seal. (Document Nos. 12 and 14). Defendant contends that these filings include confidential information and references to sealed documents that should be sealed. *Id.*

Having considered LCvR 6.1(c) and LCrR 49.1.1, and the record of this case, the Court will allow Defendant's motions to seal; however the undersigned will require Defendant to file publicly-available redacted versions of the sealed filings. Noting that the time for public response has not run to this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See LCvR 6.1(e).

**IT IS, THEREFORE, ORDERED** that Defendant's "Motion To Seal" (Document No. 12) and "Motion To Seal" (Document No. 14) are **GRANTED**. Document Nos. 11 and 13 shall be **SEALED** and remain under **SEAL** until otherwise ordered by this Court.

**IT IS FURTHER ORDERED** that Defendant shall file publicly-available versions of these documents – with redactions limited to the extent necessary to protect confidential information.

**SO ORDERED.**

Signed: July 20, 2023
